The Competition Rules for IOF Foot Orienteering Events (valid from 1st January 2014, as published on the IOF website www.orienteering.org) apply to all 2014 World Cup events.

In World Cup competitions 1, 2, 3, 7, 8, 9, 13 and 14 competition rule 9.10 does not apply; replacement of runners will not be possible after 12 noon on the day before the competition.

In case of a tie for the final qualification place in any of the competitions, all tied runners qualify, thus increasing the number of competitors in the relevant final. Where necessary, lots are drawn to resolve ties for the purpose of deciding starting order.

Competition 1, Turkey
(28th February / 1st March): Middle distance. This consists of a Middle distance qualification race with one heat on Friday 28 February, followed by a Middle distance final on Saturday 1st March. Both races have an individual interval start with a 2 minute start interval. Individual start times for the qualification race are drawn randomly in three starting groups (early, middle, late). A Federation must allocate its runners as evenly as possible across the three groups. Competitors from the same Federation may not start consecutively; competition rule 12.7 applies. The A-final is for the top 30 athletes from the qualification race. The start order is strictly the reverse order of the qualification race results (winner starts last). All others start in the B-Final where the start order is also the reverse order of the qualification race results.

Competitions 2 & 3, Spain
Competition 2 (5th April): Middle distance, individual interval start (start interval 2 minutes). The start order is determined strictly by the reverse standing of the IOF Middle/Long World Rankings as published on 30th March* (leader starts last).

Competition 3 (6th April): Long distance, individual interval start (start interval 3 minutes). Individual start times are drawn randomly in three starting groups (early, middle, late). A Federation must allocate its runners as evenly as possible across the three groups. Competitors from the same Federation may not start consecutively; competition rule 12.7 applies.
**Competitions 4, 5 & 6 European Orienteering Championships, Portugal**
European Championship Rules apply (see IOF Competition Rules Appendix 7). Participation is open to all IOF members. In each of the individual events a Federation may enter a maximum of 6 men and 6 women. The current European Champion shall be given a wild card for that distance in addition to the ordinary entries from his/her Federation, provided he/she is selected by his/her Federation.

**Competitions 7 & 8, Norway**

**Competition 7 (7th June):** Middle distance, individual interval start (start interval 2 minutes). The start order is determined strictly by the reverse standing of the IOF Middle/Long World Rankings as published on 1st June* (leader starts last).

**Competition 8 (8th June):** Long distance, individual interval start (Start interval 3 minutes). Individual start times are drawn randomly in three starting groups (early, middle, late). A Federation must allocate its runners as evenly as possible across the three groups. Competitors from the same Federation may not start consecutively; competition rule 12.7 applies.

**Competition 9, Finland**

(11th June): Sprint. This consists of a Sprint qualification race with one heat, followed by a Sprint final. Both races have an individual interval start with a 1 minute start interval. The start order for the qualification race is determined strictly by the reverse standing of the IOF Sprint World Rankings as published on 1st June* (leader starts last). The final is for the top 40 athletes from the qualification race. The start order is strictly the reverse order of the qualification race results (winner starts last).

**Competitions 10, 11 & 12 World Orienteering Championships, Italy**

WOC rules apply.

**Competitions 13 & 14 World Cup Final, Switzerland**

**Competition 13 (4th Oct):** Middle distance, individual interval start. There is no prior qualification. The start order is determined strictly by the reverse standing of the IOF Middle/Long World Rankings as published on 30th September* (leader starts last). The start interval is 2 minutes.

**Competition 14 (5th Oct):** Sprint, individual interval start. Only competitors with at least one World Cup point, or who finished competition 13, are potentially eligible. The competition consists of one Final only, with 40 competitors. These are the 40 highest placed competitors ranked in order of the World Cup standings after 13 competitions. The start order is strictly the reverse order of the World Cup standing after competition 13 (winner starts last). The start interval is 1 minute.

If there are fewer than 40 competitors with one or more World Cup point(s) entered for competition 14, the remaining places will be allocated to competitors in the order of their ranking in competition 13.

**World Cup standings**
A competitor's World Cup standing after each competition is the sum of all points scored.

**National quotas for competitions 1 to 3, 7 to 9 and competition 13**
The national quotas are based on the total points of the leading 10 athletes from each Federation in the IOF World Federation League table (Combined Sprint/Middle/Long) as published on 1st January 2014. Separate quotas will apply for men and women.
The allocations will be:
- The top 6 nations get 8 places. The list of the top 6 nations (separately for men and women) will be published on the IOF website by 15th January 2014.
- All other nations get 6 places.

A Federation may enter any runner irrespective of his/her position in the IOF World Rankings lists.

All 2013 individual World Champions shall be offered a wild card place in competitions 1 to 3 and 7 to 9 provided they are selected by their Federation. All 2014 individual World Champions, provided they are selected by their Federations, shall be offered a wild card place in competition 13 (and may participate in competition 14, if they qualify based on their World Cup standings after 13 races). These wild card places shall be additional to the national quotas.

**Special Invitations**
The organisers of competitions 7 to 9 shall offer invitations to the three leading male World Cup runners and three leading female World Cup runners according to the World Cup standings after the first six competitions. The organisers of competitions 13 and 14 shall offer invitations to the three leading male World Cup runners and three leading female World Cup runners according to the World Cup standings after the first 12 competitions. For these runners, the local costs (i.e. accommodation, board, entry fee and local transport) shall be borne by the organising Federations. Other costs (e.g. travel to and from the event venue) remain the responsibility of the runners’ Federations. These invitations do not grant extra places to Federations in the competitions. If any of the three best runners will not be competing the invitations do not get passed on to lower-ranked runners.
